

Pioneer College has a large number of Australian and international Education Agents on our profile who continue adding value to our international students' experiences. Through expanding our pool of like-minded professionals through Education Agent Training, we grow our base of skilled Education Agents.

If you are interested in becoming an Education Agent, please contact us and we will assist you with information on student visa applications, teaching courses, referring to and accessing qualified counsellors, government requirements for international students, and overall support to international students.

In the global education world Australia is a sought-after study destination, thanks to constant developments in Australia's international education offerings.

The Australian Department of Education, Skills and Employment has a list of certified bodies offering further information on where to promote Education Agent services, how to register with accredited online portals, and links to regularly updated government information pertaining to international students. Please see important links for Education Agents, below.
